

**REQUIREMENTS FOR COMPLETION  
of the  
CATHOLIC GIRLS AND GIRL SCOUTS (100 YEARS) PATCH**

Commemorate 100 years of Girl Scouting. Encourage Catholic girls to explore the rich traditions of their Catholic faith and Girl Scouting. Below are suggested activities required to earn this patch.

1. **Research** a Saint that represents Scouting qualities. You may find the qualities in the Girl Scout Promise and Law. Share with your troop.
2. **Discover** Catholic religious orders in your diocese that have been instrumental in serving your community through Catholic schools, hospitals, orphanages, or social programs. If your parish is sponsored by a religious order, consider researching that order. Create a display for your parish to educate others.
3. **Make** a mosaic of Mary—Use a variety of material such as sequins, beads, yarn, paper, pictures. Display in a prominent place in your home and use it to remind yourself to regularly pray the Hail Mary.
4. **Interview** a woman who is a leader in your parish. Find out how she lives her journey of faith through her ministry. Write an article about her committed faithful leadership for your parish bulletin/newsletter.
5. **Participate** in or help plan Scout Sunday for your diocese or parish.
6. **Learn** about a holy woman who has lived in the past 100 years. Write an article about her and share with your troop and/or have it printed in your parish bulletin/newsletter. Examples are:
  - St. Mother Cabrini—American, died 1917
  - St. Katherine Drexel—American, died 1955
  - St. Gianna Molla—Italian, died 1962
  - St. Elizabeth Ann Seton—American, died 1821
  - Blessed Mother Teresa—Macedonian, died 1997
7. **Participate** in or help plan a retreat. Talk with your parish youth minister or pastor to see what retreats are offered in your area. Invite other Catholic girls to attend.
8. **Honor** the founder of Girl Scouting, Juliette Gordon Low—Learn about and participate in the Girl Scout Forever Green: 100<sup>th</sup> Anniversary Take Action project.

9. (*Older Levels Only*) **Plan** an outside activity for younger Catholic Scouts that would either benefit your parish or diocese. Prepare an outdoor activity with those younger girls that Juliette Low taught the first Girl Scouts, for example, sports, outdoor recreation, nature study, prayer service outside in a meditation garden.
